MAPLE GROVE, MN, APRIL 20, 2009: Before and After Baby Planning, LLC, the premiere baby planning resource in the Twin Cities, today announces a three-part baby planning seminar sponsored by Bella Angel Imaging, a 3D/4D ultrasound imaging studio located at Suite 102 in The Fountains of Maple Grove.

“Partnering with Bella Angel Imaging is a logical fit for us,” said Linda Bauchwitz, co-founder of the mother/daughter owned Before and After Baby Planning, LLC. “Because both of our companies were figuratively ‘birthed’ by women and are based out of Maple Grove, we view the baby planning seminars as a great opportunity to both support expectant parents and the local economy.

All seminar attendees will receive a complimentary diaper bag filled with baby products and a free three month trial of the Recall Alert Subscription, valued at \$30. Bella Angel Imaging will award a \$50 gift certificate to one lucky family.

Information on 3D/4D ultrasound pricing and packages is available at www.bellaangelimaging.com. To register for the seminars email sarah@planning4baby.com or call 763-494-3201.
